# New movies coming out in the month of July, 2012

**The Amazing Spider-Man** - Columbia Pictures and Marvel Studios announced they are moving forward with a film based on a script by James Vanderbilt that focuses on a teenager grappling with both contemporary human problems and amazing super-human crises.

**The Dark Knight Rises** - Christian Bale returns as Batman to battle Tom Hardy as Bane and Anne Hathaway as Catwoman.

Here is a quick list of the latest movie releases for this month.
